student's travel

Silver Level Sponsor:

\$1000
Covers travel
for 2 students

Gold Level Sponsor:

\$2500
Covers travel
for 5 students

Custom Contributions:

Any amount helps
and is greatly
appreciated!

Our students are passionate about pursuing careers in emergency services, and we are excited to offer them the opportunity to attend an international fire conference in Indianapolis in April 2025, and we need your help to make this life-changing experience a reality. As part of their participation, students will also complete the 9/11 Memorial Stair Climb at Lucas Oil Stadium, honoring the brave men and women who made the ultimate sacrifice on September 11, 2001.

This event is an incredible chance for our students to expand their knowledge, participate in hands-on training, and network with industry professionals. The conference offers workshops, seminars, and demonstrations focused on the latest advancements in fire safety, emergency medical services, and fire prevention techniques. It will provide these future leaders in our community with experiences and insights that will shape their careers and enrich their education.

HOW CAN THE EAST TENNESSEE REGIONAL COUNCIL OF FIRE CHIEFS ASSIST:

- 1: Organizational Support of Project FDIC 2025**
- 2: Positive Recommendation to TN Fire Chief's Association for Support**
- 3: Continue local partnership and support for training, equipment, networking and mentorship.**
